Subject: Extension of Mowing Agreement of NCDOT Right of Way: Between the North Carolina Department of Transportation and the Town of Holly Springs for the 2018 Mowing Season

Dear Mr. Simmons,

The existing mowing agreement between the Department and the Town of Holly Springs requires written consent by both parties each year thereafter to continue forward with the agreement. The work completed by the Town of Holly Springs for the 2017 mowing season was found to be very acceptable and we wish to continue on with the subject agreement for the 2018 mowing season. Enclosed is the list of roads Holly Springs will be responsible for maintaining. The reimbursable amount for 2018 will be \$20,049.00, which corresponds with this year's bid cost to mow rights of way on state maintained routes. If the Town of Holly Springs wishes to continue with this agreement, please sign in the appropriate location at the end of this letter and return to my office.

If additional information is needed, please contact me at 919-816-9290, ext. 235 or by email at csudderth@ncdot.gov.

Sincerely,

A handwritten signature in black ink that reads "Corey L. Sudderth".
