

TOWN OF HOLLY SPRINGS  
PARKS & RECREATION DEPARTMENT  
VOLUNTEER REWARD & RECOGNITION PROGRAM

HSPR ViPs (Volunteers in Parks) are essential to the success of many programs and special events during the year. In order to recognize those participating as ViPs and to encourage volunteer retention, HSPR has implemented the following ViP Reward & Recognition program.

The Town of Holly Springs Parks & Recreation Department volunteer reward & recognition program is divided into two (2) groups: Youth Athletic Volunteer Coaches and Individual Hours of Service.

#### Youth Athletic Volunteer Coaches

During the season, Head Coaches will receive an appreciation plaque with a team photo.

Assistant Coaches will receive a 5" X 7" team photo.

#### Individual Hours of Service

Volunteer hours will be tracked throughout the year for all volunteer opportunities, either by individual or organization, with exception of community-wide days of service which are open to all residents with no check-in or check-out procedures.

The annual Volunteer Appreciation Event is held to formally acknowledge the commitment and passion our volunteers exemplify. This event will be held during the annual July 5<sup>th</sup> celebration at Sugg Farm Park at Bass Lake. All individual volunteers and organizations will receive certificates of appreciation in recognition of their dedication and service to the Town of Holly Springs.

Individual volunteers are rewarded according to the following tiers (per the fiscal year, i.e. July to June):

1. Silver ViP (50+ hours in the current fiscal year): volunteers will be recognized on stage and receive a food voucher to redeem at any food truck participating in the July 5<sup>th</sup> event.
2. Gold ViP (100+ hours lifetime with a minimum of 50 Hours in current fiscal year): volunteers will receive Silver ViP reward and volunteer reward package (for example, tickets, swag, one-month fitness membership).
3. Platinum ViP (500+ hours lifetime with a minimum of 50 Hours in current fiscal year): volunteers will receive Gold ViP reward with an upgraded annual fitness membership.
