

TOWN OF HOLLY SPRINGS
ENCROACHMENT AGREEMENT

STATE OF NORTH CAROLINA
COUNTY OF WAKE

TOWN OF HOLLY SPRINGS
and

RIGHT-OF-WAY
ENCROACHMENT AGREEMENT
MUNICIPAL STREET SYSTEM
STANDARD FORM

THIS AGREEMENT, made and entered into the _____ day of _____, 20____, by and between the **Town of Holly Springs**, herein after referred to as "TOWN" and _____, herein after referred to as "COMPANY",

WITNESSETH:

THAT WHEREAS, the Company desires to encroach on the right-of-way of the public road designated as _____ located _____ with the construction and/or erection of _____;

WHEREAS, it is to the material advantage of the Company to effect this encroachment, and the Town in the exercise of authority conferred to it by statute, is willing to permit the encroachment within the limits of the right-of-way as indicated, subject to the conditions of this agreement.

***NOW, THEREFORE, IT IS AGREED** that the Town hereby grants to the Company the right and privilege to make this encroachment as shown on the attached plan sheet(s), specifications, and special provisions that are made a part hereof upon the following conditions, to wit:

That the installation, operation, and maintenance of the above described facility will be accomplished in accordance with the Town of Holly Springs Engineering Design and Construction Standards and other town ordinances and policies as applicable.

That the said Company binds and obligates itself to install and maintain the encroaching facility in such safe and proper condition that it will not interfere with or endanger travel upon said street, nor obstruct nor interfere with the proper maintenance thereof. The Company agrees to reimburse the Town for the cost incurred for any repairs or maintenance to its roadways and structures necessary due to the installation and existence of the facilities of the Company.

That, if any time the Town shall require the removal of, or changes in, the location of the said facilities, then the Company binds itself, its successors and assigns, to promptly remove or alter the said facilities, in order to conform to the said requirement, without any cost to the Town.

That the Company agrees to provide, during construction and any subsequent maintenance, proper signs, signal lights, flagmen and other warning devices for the protection of traffic in conformance with Town standards and the latest Manual on Uniform Traffic Control Devices for Streets and Highways and Amendments or Supplements thereto.

That the Company agrees to restore all areas disturbed during installation and maintenance to the satisfaction of the Town.

The Company agrees to give notice to the Town both before work is initiated and once all work contained herein has been completed.

That it is agreed by both parties that this agreement shall become void after six (6) months from the date of authorization by the Town unless written waiver is secured by the Company from the Town.

This encroachment agreement only covers work within NCDOT or Town Right-of-Way. The encroacher is responsible for obtaining encroachment from NCDOT on NCDOT roads. NCDOT/Town does not guarantee the right of way on

NCDOT's road. If the right of way on NCDOT roadways was not obtained by the fee simple method, it is the responsibility of the encroacher to obtain permission from the underlying property owner/owners. The encroacher is also responsible for verifying all right-of-way on Town roads.

Encroacher shall be responsible for obtaining all necessary permanent and/or temporary construction, drainage, utility and/or sight distance easements. All Right of Way and easements necessary for construction and maintenance shall be dedicated to NCDOT with proof of dedication furnished to the District Engineer prior to beginning work.

IN WITNESS WHEREOF, each of the parties to this agreement has caused the same to be executed as of the date first above written.

NOTES:

1. Call North Carolina One-Call Center, Inc. at 1-800-632-4949 for Town Utility locations 48 hours before digging. Field locates by Town personnel shall be approximate. It shall be the responsibility of the Company to spot-locate Holly Springs' utilities.
2. Attach 8 1/2" x 11" Plans to this Document.
3. A copy of this document must be present on the job site at all times.
4. The installation of utilities in Town of Holly Springs' right-of-way may be performed only during regular business hours (8:00 a.m. to 4:00 p.m.) on Monday through Thursday and between 8:00 a.m. and 12:00 noon on Fridays. No work shall be performed in the Town's right-of-way on weekends or holidays.
5. Development Inspector must be notified prior to commencing work.
6. All bores must be minimum 24 inches in depth.
